A HUGE thank you to everyone who helped make the 11th annual DoveLewis Golf Tournament a rockin' success. Who doesn't love golf, beer, blackjack, costumes and helicopters dropping golf balls from the air? We heard rave reviews about the customized golf sleeves (Thanks Morel Ink!) and all of the super fun activities and contests along the course. We love it when groups of animal-loving people come together and celebrate their love for Dove. This day was an incredible example.

We look forward to seeing you all back on the course again next year!

I had a great time at the golf tournament last Friday. You folks did an absolutely fantastic job setting everything up, and making it a great day for all the participants. I almost felt guilty having such a good time when our purpose was to raise some funds for Dove Lewis! I did spend freely whenever there was an opportunity to raise more dollars during the event too! I look forward to seeing you at the upcoming patio party as well as other Dove Lewis events going forward.

It's a wonderful tournament. The folks at DoveLewis do a fantastic job putting this golf event on. It's filled with great people and fun activities along the course that make even poor golfers like myself, have fun! The cause is unbeatable and you just feel good knowing that you're contributing towards helping/saving animals. It's a great way to get involved in the community, help out a great cause, and have a lot of fun!

This is one of the best and most fun tourneys you can play in. I would recommend to anyone playing or sponsoring this golf event.

*Michael Allen*

Most organized and well run fundraising golf tournament around...keep up the good work!

## 100% of Golf Tournament participants surveyed said they would participate in the tournament again!

The DoveLewis Golf Tournament is by far one of the most fun, enjoyable, and worthwhile golf tournaments I've participated in. The location (Langdon Farms) was perfect and the staff made the entire day fun. It's a 'feel good' tournament and I highly recommend it.
