Birds of a Feather

Display this stunning work of art in your home, created especially for Wet Nose Soiree by Enid Traisman, DoveLewis Pet Loss Support Director. This beautiful one-of-a-kind piece of art would look beautiful inside and can weather the outdoors of the northwest as well.

Enid founded the program in 1986 as one of the first of its kind in the country. It is her job and honor to work with the bereaved people who adore and cherish their pets. Her deep connection with people and animals are her artistic inspiration. Her art celebrates the loving bond shared between people and their companion animals. Enid's designs are inspired by all critters in the animal kingdom, particularly companion animals for they enrich her life daily with their buoyant spirits and unconditional love.
