FOR IMMEDIATE RELEASE – December 1, 2008

Local musician hosts benefit concert for DoveLewis

Join DoveLewis and Michael Allen Harrison for a memorable evening of beautiful holiday music as we celebrate the conclusion of our 35th anniversary year. **All proceeds from this concert will be matched**, as part of our DoveDouble campaign. If we raise \$500,000 by the end of the year, an anonymous donor will match it to help us pay off our new main hospital! We're 70% of the way there – this concert is one of many fun ways to help. About Michael Allen Harrison

Michael Allen Harrison's music is best described as a genre of its own. His cutting edge, classical contemporary style carves a distinct niche of timeless music which far exceeds the scales of his Steinway keyboard. As a sought after producer, composer and arranger, this well-known concert pianist has been in the music scene for over two decades.

DoveLewis is Portland's 24-Hour Emergency and ICU Animal Hospital, offering advanced veterinary care in a state-of-the-art facility in Northwest Portland. DoveLewis also shares several 100% donor-funded programs with the community including one of America's largest volunteer-based animal blood banks, an award-winning animal assisted therapy program, a nationally recognized pet loss support program offering five free group therapy sessions each month, 24-hour stabilizing care for lost, stray and wild animals and financial assistance for low income families and owners of abused pets.
