ANIMALS SPEAK TO US.

FOR IMMEDIATE RELEASE – February 17, 2011

Canine Struck by Car Thanks Life-Saving Blood Donor Dogs

Sydney, a five year old shepherd mix, was rushed to DoveLewis after being hit by a car. Her internal injuries were so severe, she needed surgery and several blood transfusions. Sydney received blood from FIVE different DoveLewis blood donor dogs. She has made a full recovery and wants to thank the donors who helped save her life Saturday, February 26th at our annual Blood Donor appreciation event. Join Sydney as she meets and thanks “Winna,” “Kira,” “Diamond,” “Sparkle,” and “Haig.” They’ll be joined by some 75+ other blood donor dogs who have similar stories to tell.

How do you honor a blood donor dog?

We give them doggie cupcakes and treats while their owners enjoy a spread of people-food and beer. The life-saving pooches and their owners will also be presented with fun-filled gift bags and special awards for the most generous donors. Eight dogs will be recognized for donating more than 30 units of blood each (a unit is about a pint!)

One lucky dog will also win the grand prize: the opportunity to be featured in the 2012 DoveLewis Calendar.

Which dogs can donate blood?

We ask that they be at least one year old, healthy, never been pregnant or had a blood transfusion, easy-going disposition, current on vaccines, & weigh at least 55 pounds.

DoveLewis Blood Donor Dogs:

- Provide enough blood for hundreds of transfusions each year
- Get free exams by DoveLewis veterinarians, blood screening and evaluation
- Need donated toys and treats to reward them for patiently giving blood
- Share their blood for transfusions throughout Portland – not just at DoveLewis

Join Sydney (fully recovered and pictured above) as she meets the blood donor dogs who saved her life at our annual “Superheroes” appreciation event!
