## DoveLewis Executive Director Gets Tattooed for Fundraiser

**Ron Morgan,**  
**DoveLewis Executive**  
**Director, holds Teddy,**  
**one of his two dogs.**  
 Ron is just one of more than 20 DoveLewis employees getting animal-inspired tattoos as part of this event. "I am very proud of the work I have been involved in at DoveLewis and for the rest of my life this tattoo will be a symbol to me of my opportunity to be part of this great organization."

Stay tuned for the when and where of Ron's big day!

"Put your money where your mouth is." "Walk the talk." "Put up, or....." well, you know. At DoveLewis we believe in what we do, and for our latest fundraiser [Tats for Cats...and Dogs](#) several DoveLewis employees are putting their ink where their heart is. **In fact, our executive director will get his very first tattoo to show how much this fundraiser and DoveLewis mean to him.**

**Tats for Cats...and Dogs runs the entire month of May.** Throughout the month, [participating tattoo artists](#) will donate 10% of their fees to the DoveLewis [Stray Animal & Wildlife Fund](#) for every animal-inspired tattoo they do! **There are already some incredible deals and fun, friendly fundraising competitions** going on – including a [totally cool tattoo special on May 20](#). Even if you'd rather not get a tattoo, you can still be part of the fun. Check out our [website](#) for all the details.

**WHAT: Almost 60 local tattoo artists put their love for animals where their ink is.**

**WHEN: The entire month of May**

**WHY: To raise money for the DoveLewis Stray Animal & Wildlife Fund**

DoveLewis will spend more than \$225,000 this year on emergency medical care for stray and wild animals. **90% of that money comes from donors**, the rest comes from county shelters as minimal re-imburements.

DoveLewis is Portland's 24-Hour Emergency and ICU Animal Hospital, offering advanced veterinary care in a state-of-the-art facility in Northwest Portland. DoveLewis also shares several 100% donor-funded programs with the community including one of America's largest volunteer-based animal blood banks, an award-winning animal assisted therapy program, a nationally recognized pet loss support program offering five free group therapy sessions each month, 24-hour stabilizing care for lost, stray and wild animals and financial assistance for low income families and owners of abused pets.
