What a Duo!

“What a team these two are! Sandy, the professional as always, constantly looking for the underdog to comfort. Meanwhile, Dolly makes sure everyone is visited and no one is left out. These are difficult visits for Kathi and me, as these kids have committed crimes and been through unimaginable trauma in their short lives.

To see them smile, laugh, or come out of their shells for just a short while is so rewarding. The children

that we see often are always so happy to see the dogs. They’ve even gone as far as to tell us that when the dogs come, they feel less stress and anxiety. Job well done, girls. Now it’s time for some treats and a nap!”

A Thank You from PDX!

“Thank you so much for helping make our PDX Telecommunicator’s Week amazing! Karen & Venice and Jim & Megan were just so delightful and kind. There were many kisses and tail wags!
