Caring for Pets and People. Always.

IT SEEMS THAT EVERY YEAR when the board chair and I reflect back on our accomplishments we find a similar theme: We cared for more patients and families than ever before, our community programs continued to grow and reach more people and animals, and we tackled challenges related to the growing need for all of our vital services. Our amazing staff, Board of Directors and supporters help us keep moving forward. Thank you!

There is no doubt our much-needed hospital expansion looks like the centerpiece of our work this past year. However, we spent a great deal of time internally evaluating our hospital services and programs to make sure DoveLewis will always be a valuable and irreplaceable asset to our community.

We updated our mission and vision statements and reaffirmed our commitment to care for every animal and every person who cares for them. Always. We envision a world where every animal gets the care they deserve, which is why expanding the breadth of our medical services and providing a higher level of care and service to animals and people with nowhere to turn is of the utmost importance. Together we can achieve great things for the animals and families who need us. Because if not us, then who? We are ready to answer the call.

Thank you for your commitment and generosity. DoveLewis is your community emergency and specialty hospital and we hope you are proud of what we have been able to accomplish this year.

With gratitude,

Ron Morgan

A Safe Haven for an Injured Lost Dog

JUST HOURS OF AFTER ADOPTION, Hanna, a lovely golden retriever, became startled and escaped from her new owner, donor Cecily Johns. Cecily was beside herself with concern and had quite a shock when she rushed into DoveLewis the morning after Hanna's escape to post some flyers. Enclosed with her gift of gratitude was a letter to DoveLewis.

Cecily writes:

"I searched for her until late at night and of course, I didn't sleep much. The next morning I got up and decided to do everything I could to find her. I made a flyer and handed it out around the dog park. Then I decided to walk over to DoveLewis and see if they would post the flyer."

When I got there, they looked at the flyer and said, 'A white golden retriever came in last night.' I practically fainted. It was Hanna!

DoveLewis had treated her – her paws had been beaten up from running across the Steel Bridge. Hanna had been found and captured by an angel named Casey who saw her running around the MAX tracks. I will be ever grateful to Casey for rescuing her, and to DoveLewis for treating her wounds."

Accidents happen in the blink of an eye, but DoveLewis is a safe haven for injured lost animals in our community. Because of your support we are always here and always open to help animals in need.

Cecily and Hanna shared their story at this year's Wet Nose Soirée. They inspired auction attendees to raise \$330,000 for injured stray pets just like Hanna!

Salsa and Volvo: Doubling Their Family's Impact

With two sweet dogs in their family, donors Janet and Stephen Schultz decided to double their impact in the community.

BESIDES GIVING TO DOVELEWIS, Janet stays busy volunteering with her two Labs, Salsa and Volvo. These eager pups get to work each week in service of humans and other dogs through DoveLewis' community programs.

As a therapy dog in the PACTT program, Volvo visits the Multnomah County Health Court, providing comfort and calm to individuals navigating this specialized program.

And Salsa is a star at a residential care facility, making new friends for over five years!

But the fun doesn't stop there – Volvo also relishes his visits to the DoveLewis Blood Bank, where he's saving lives as a canine blood donor. After each donation, Volvo gets to pick out a new toy and a treat, much to his sister's dismay!

Thank you, Salsa and Volvo, and our other generous volunteers in PACTT, the Blood Bank, stray animal transport and event/administrative support. Much of our work could not be accomplished without our 400+ volunteers who provide thousands of hours of service in support of animals and people.

What Does Your Gift Do?

You are a critical part of the DoveLewis team. Your gifts help us execute our mission as we care for animals, pet owners, our staff, and our space.

Thank you to the many individuals, companies and foundations who have made a gift or pledge to the Capital Campaign. A list of donors can be found at dovelewis.org/nextlevel

Moving Up to the Next Level

THIS YEAR BROUGHT the biggest change to DoveLewis in 15 years: an 8,500 sq. ft. renovation and expansion of the hospital!

The challenge was significant, and DoveLewis stayed open during the entire 10-month project. An unprecedented 27% increase in patients in just three years had led to overcrowding and limited the ability to serve more pets in the future. Animals could wait no longer, and many donors have already answered our call for support.

The renovated second floor (former offices) now features expansive spaces for specialty services (cardiology, surgery, internal medicine and radiology) with room to grow. On the first floor we expanded the ICU, a new surgery suite was added

and the lobby was reconfigured to improve the client experience.

Already staff and clients are benefitting from the change. A quieter second floor lobby means less stress for patients like Kooper, who had a history of aggression with his primary vet, but has been calm and friendly on his weekly visits with our internist.

There's still time to support the Next Level Campaign to provide pets the best chance for healing. We'd love to give you a tour and show you how we are transforming emergency and specialty care in Portland! Simply email development@dovelewis.org to set one up.

Champion Circle

The Champion Circle celebrates donors contributing \$1,000 or more a year. These generous benefactors stand behind DoveLewis with significant financial support to help animals. This fiscal year (July 1, 2018 to June 30, 2019), 243 individuals, companies, and foundations were Champion Circle members.

“I support DoveLewis because they have always been there when my pets needed help. And since my pets are part of my family, DoveLewis has become my support when I need it. Their work in the community is endless, compassionate, and so helpful to our pets and all animals in need. I became a DoveLewis Legacy Society member because I’d like their work to continue well into the future.”

Remembering a Visionary Donor

HOWARD HEDINGER was a committed supporter, board member ('04-'06), and client who made a big impact on DoveLewis.

He loved animals and wanted to make sure there was a place for people to go when their pet was hurt. He was particularly passionate about the Velvet Assistance Fund which he helped name. Howard and the Hedinger Family Foundation gave hundreds of thousands of dollars in support to help pets and families in need. He was also instrumental in securing and developing our existing hospital building, and even purchased the vehicle we currently use for animal transport.

We miss him dearly.

“I feel blessed to have known Howard and call him a friend. DoveLewis would not be the organization it is today without the generosity of Howard and his family's foundation.”
