

# Experience You Can Trust for Your Patients

## Shuttle Transport

For stable patients  
between your clinic  
and our hospital

7:30 am – 10:00 pm  
Monday – Friday

*subject to availability*

Portland Metro (0-20 mi.)  
\$48 one way | \$85 round trip

### For pick-up service:

Please call the DVM backline at 97-255-5990  
two hours prior to desired pick-up time to set  
up a referral and shuttle service.

*PLEASE NOTE: Due to the unpredictable nature of traffic and transfer schedules, we cannot schedule an exact drop-off time.*

## Critical Transport

For critical patients from your clinic to our hospital for \$295\*

Critical transports are ideal for oxygen dependent patients and those requiring continued treatments and monitoring en-route.

### Service includes:

- A DVM facilitating basic supportive care during transport
- Basic supportive care includes oxygen and continued IV fluids

*\* Additional treatment outside of basic supportive care during transportation may incur additional charges.*
