## OUR MISSION

DoveLewis is the Northwest's only nonprofit, emergency & ICU animal hospital. Our mission is to care for every animal and every person who cares for them. In fiscal year 2022, we treated over 26,800 patients.

## OUR COMMUNITY

We serve thousands of people located in the four-county area that comprises Portland Metro. They come to us for emergency and critical care for their four-legged family members who provide comfort and companionship and endless physical, mental and emotional benefits to their owners and families.

As a nonprofit organization, DoveLewis provides donor-funded programs to the community, including one of the United States' largest volunteer-based animal blood banks, a nationally recognized pet loss support program, canine-assisted therapy, 24-hour stabilizing care for lost, stray, wild and abused animals and financial assistance for qualifying low-income families.
