

# *Holiday Hazards for your Pet*

## *Food*

Keep pets away from raw, undercooked, or cooked turkey that has been sitting out as well as turkey bones.

Keep the sweets out of reach.

Don't share human food with pets.

Make sure rising dough is out of reach and covered.

Cover the cocktails.

## *Decorations*

Stabilize your Christmas tree to make sure pets don't knock it over. Don't let pets drink the tree water.

Never leave your pet alone with potentially dangerous festive décor.

Keep holiday light cords out of reach or covered.

Watch out for dangerous holiday plants.

## *Celebrations*

Keep pets safe and secure  
on New Years Eve.

Create a “safe zone” for pets  
dealing with house guests.

Watch the exits – update  
microchips and name tags.

Be sure to plan ahead  
when traveling with pets  
for the holidays.
