## A Message from Kathy

We appreciate you and your sweet dogs!

DoveLewis and your communities celebrate you and your lovable dogs for your dedication and service year-round. Your dogs offer comfort and relief to so many. What you do matters in the moment for everyone you meet. We have an opportunity to change a person's day with our dogs at that moment.

They bring joy to someone who is lonely or sad, help support a child finding confidence and strength, bring a smile to a traveler, give a break to a front-line worker or first responders, and make DoveLewis staff laugh at your dog's antics as you visit.

Since 2013, with your dogs by your side, you have made the PACTT program the gold standard when it comes to canine therapy. You are the heart of this program, and I am grateful for each of you. We continue to appreciate you every day whether you do one or ten visits a month, are taking a break, or are off to the sun in the winter. Thank you for sharing your sweet dogs and your valuable time with our staff and our communities.

To loosely quote Emily Hyde, Multnomah County Victim Advocate Supervisor, "We look for vicarious goodness". You bring that goodness along with kindness, joy and love. The assistance the canine therapy teams give to both those working in and who are touched by the justice system is invaluable and a joy to so many! This translates to all locations. You are all ROCK STARS!

## In Memoriam for Those We've Lost

We had seven dogs cross over the rainbow bridge since last June. These remarkable dogs were always ready to meet new people and wag their tails! We will miss these great dogs and always remember how they made each visit so memorable. Pictures showed how special they were to people of all ages. With their full attention, they gave love to each person they met. All were exceptional. We are grateful to have met and loved each one of these PACTT dogs. They were all extraordinary dogs who lived to love and bring joy and comfort to anyone and everyone. We miss them and will always remember them with love.
