A Message from Kathy

We appreciate you and your sweet dogs!

DoveLewis and your communities celebrate you and your lovable dogs for your dedication and service year-round. What you do matters for everyone you meet. We have an opportunity to change a person's day with our dogs. Whether a person can stop to pet your dog or needs to move on, we can tell by the smiles and change in body posture the impact you have in that moment.

Your dogs bring joy to someone who is lonely or sad, support a child finding confidence and strength, bring a smile to a traveler, give a break to a front-line worker or first responders, and make Dove staff laugh at your dog's antics as you visit.

We currently have 108 extraordinary teams! Many handlers have recertified 2, 3, and 4 times with one or more dogs since 2013. We have 17 handlers certified with 2 dogs. 1 handler is certified with 3 dogs. That's love and dedication for this program. I appreciate you all!

Since 2013, with your dogs by your side, you have made the DoveLewis PACTT program the gold standard when it comes to canine therapy. You are the heart of this program, and I am grateful for each of you. We continue to appreciate you every day whether you do one or ten visits a month, are taking a break, or are off to the sun in the winter. Thank you for sharing your sweet dogs and your valuable time.

You are all ROCK STARS!

-Kathy and Marvin

In Memoriam for Those We've Lost

We had six dogs cross over the rainbow bridge since last June. These remarkable dogs were always ready to meet new people and wag their tails! We will miss these great dogs and always remember how they made each visit so memorable. Pictures showed how special they were to people of all ages. With their full attention, they gave love to each person they met. All were exceptional. We are grateful to have met and loved each one of these PACTT dogs. They were all extraordinary dogs who lived to love and bring joy and comfort to anyone and everyone. We miss them and will always remember them with love.
