## ‘Tis the Season for Holiday Photos!

It's back! Time to capture those festive moments and enter the PACTT Holiday Photo Contest! Submit your best shots by December 19, and remember, we welcome photos from all holidays! Winners will be chosen by a panel of judges from DoveLewis.

[Click Here to Submit Photos](#)

Email your submission(s) to [kloter@dovelewis.org](mailto:kloter@dovelewis.org) or [mlaird@dovelewis.org](mailto:mlaird@dovelewis.org) if you have trouble attaching photos in the form.

# Helping Pets Feel Better, Move Better, and Live Happier

When pets get hurt, have surgery, or start slowing down with age, rehab can make a big difference. Our Rehabilitation and Pain Management team helps pets regain strength, balance, and comfort through hands-on care and tailored exercises, including:

- Building strength with low-impact sessions in our underwater treadmill
- Enjoying soothing massage and stretching to ease soreness
- Practicing balance and movement using pet-friendly equipment
- Getting laser, heat, or ice therapy for added pain relief and healing
