Hello Everyone!

As you can see from the photos, a great time was had by all! Another sellout golf tournament!

Thank you to all who volunteered at the DoveLewis Golf Tournament that benefited the PACTT Program! We had DoveLewis staff, Jim’s army of volunteers, and 20 PACTT teams in the morning cheering the golfers on. The dogs were a hit, sharing their own special love with everyone. So many golfers were heard to say this was the best golf tournament because of your dogs.

Click here to view all the golf photos!

A very special thanks to our speaker Amber Kinney, former Deputy District Attorney, who as a veteran child abuse prosecutor has handled some of the most serious and complex cases. She continues her work with victims and families of abuse and domestic violence in private practice. She shared the importance of our therapy dogs in court and what it means to victims to have a dog by their side as they testify. You and your dogs make such an impact with this vulnerable population.

Thank you to all the staff from Development, Marketing, Accounting, and DoveLewis for making this such a successful event again this year!

Kathy
