Another Fantastic Year to Celebrate All of Our Teams!

A Look Back on the Year

Hey Teams!

We ended our fiscal year on June 30, 2022, and I am excited to share what we have accomplished!

Each of you play a part in the success of our program, bringing your own individuality and experiences to make each visit unique. We support and learn from each other with dedication, professionalism, and lots of humor!

We've started July off well already by certifying 4 new teams! We welcome Karen Metter with Venice, Sara Chambers with Missy Magnolia, Allison Lupico with Cedar, and Debi Hays is back as a team with her second dog, Kashi, after Kiev's retirement.

I look forward to another year with you serving our communities and finding new opportunities to share our amazing dogs!

Kathy
