DA's Office with Anta

Message From Kathy

Our Annual Appreciation Event celebrates you and your sweet dogs for your dedication and service.

What you do matters in the moment for everyone you meet. When we go out, we have an opportunity to change a person's day with our dogs. From helping someone who is lonely or sad, supporting a child to find confidence and strength, bringing a smile to a traveler, giving a break to front-line workers or first responders, to making DoveLewis staff laugh at our dog's antics, you make an incredible difference. Since 2013, with your dogs by your side, you have made the PACTT program the gold standard when it comes to canine therapy. You are the heart of this program, and I am grateful for each of you.

If you are unable to come to the appreciation event, please know we continue to appreciate you every day whether you do one or ten visits a month, are taking a break, or are off to enjoy the sun in the winter.

Thank you to all of you!
Kathy

Thank You for All That You've Done

As these teams retire, we thank them for their incredible service and dedication to the PACTT program. Each team in their own way brought happiness and joy to all they met. Thank you all. We are grateful you shared your dogs with us!

Happy Retirement!

In Memoriam for Those We've Lost

We saw three amazing dogs cross over the rainbow bridge this last year. All were special in their own way. Dan, an old soul with a big heart. Once met, always remembered. Valor brought joy to travelers, children, always ready to meet new people and wag that tail! Destiny who volunteered well into her senior years was a sweet loving dog who was ready for any visit.

We will miss these great dogs and always remember what joy they took from each visit. I look back at pictures of visits and can see what it meant to people of all ages to interact with these dogs. They gave their full attention, listening, and loving each person they met. They were exceptional. We are grateful to have known them.

always in our hearts

Dan
