# Supporting Vietnam and Korean Veterans on an Honor Flight

Lynn and Zinc were part of the USO team that met a returning Honor Flight of veterans that had gone to Washington DC. The veterans loved having Zinc walk among them. This was a small group of 60 Vets and their guardians.

A Color Guard and some police cadets lined up and saluted as the Veterans were wheeled out of the plane. A bagpiper played during deboarding and again as it led the Veteran parade from the gate to the lobby.

## Kathy's Message

Hey Teams!

We are so excited Charlton Farms has invited us back to celebrate you at our PACTT Appreciation event on June 25th. This is such a beautiful place to share our stories and honor our teams! DoveLewis staff and community partners are coming to share their appreciation for your visits and service in our communities. If you haven't already, please RSVP!

The DoveLewis Golf Tournament is July 29th. This event raises funds for the PACTT program. During the tournament, we will have teams out on the course to support our generous golfers. This has always been so much fun for everyone! I will be sending out a request for teams in the next week. If you haven't participated in this, you are in for a treat! The tournament is in the morning with an early tee time so the dogs will be back home before it gets hot!

Looking forward to seeing all of you at both events! You and your sweet dog truly make a difference with each person you meet. I speak for myself and DoveLewis when I say how much we appreciate your professionalism and dedication to the PACTT program. Thank you for all you do. You and your dogs are the heart of this program, and I am grateful for all of you.

-Kathy
