# Honor Flights

Honor Flight Portland is dedicated to serving our honorably discharged veterans and celebrating them by transporting them free of charge to Washington D.C. to reflect and visit the memorials built in their honor for their sacrifices. Therapy dogs Megan, Stella, Kelsey, and Jericho along with their handlers met veterans returning from Washington D.C. with wags to thank them for their service.

Veterans arrived greeted by family, an Honor Guard, a bag piper, escorts from the Coast Guard, and a

number of appreciative travelers. PACTT teams are dedicated to serving those who have sacrificed to make our world a safer place.
